The following is a list of rules and guidelines that are for the smooth and safe operation of the parade. This parade is an evening of celebration and fun for all, but the safety of everyone is a priority. All participants **MUST** follow these rules and guidelines. *Please be advised: If rules are not followed by a participant, their entry will be removed from the parade line up by Parade Officials, who will be stationed along the parade route, and they will not be allowed entry the following year.*

1. **FORWARD MOTION PARADE:** The parade must continue in a forward motion, meaning no stopping to perform anywhere along the parade route. All performance routines must be choreographed with keeping the unit moving. Any entry that stops to perform for the judges will be disqualified from the parade the following year.

Have them join your entry after 5:00 p.m. NOTE: There are limited restroom facilities along the line-up route.
